

Host a Pet Supply Drive

The Union County Humane Society is a non-profit organization serving Union County and the more than 1,200 animals that come through our doors each year. With a 90% adoption rate, our mission is to connect animals with people, enrich lives, and support the community through spay/neuter programs, education, and disaster response.

How your organization can help:

There are a variety of ways to host a Pet Supply Drive...the only limits are your imagination! Here are some ideas:

Department vs. Department/ Class vs. Class/ etc.

Have Departments in your organization compete against each other to see who can raise the most money to buy items.

Cats vs. Dogs

Hold a contest to see which brings in more items—for cats or for dogs. Or, put out collection jars and employees can vote for cats or dogs with monetary donations.

Kitten Shower (Spring)

April showers bring...kittens! Kittens in our shelter and with foster families need specific items such as kitten milk, canned kitten food, heating pads, paper towels and clay litter. An internet search on 'kitten shower' will give you fantastic ideas...and it's a reason to have cake! Drive Day Host a drive day, and anyone who donates an item earns a dressdown day or other reward offered by the company or organization.

Donation of items:

Once your group or business collects items or donations, our staff can arrange pick up. We would also be happy to give a presentation on our shelter, dog safety or pet care. We'll bring a shelter friend with us if you'd like! Or, you are welcome to bring items to our humane society and have a tour of our facility and meet some new furry friends!

STATS:

Our dogs eat 200 lbs. of food a week— that's **more than 5 TONS per year.**

Our kittens and cats use more than 96 lbs. of litter a week— **that's 2.5 TONS per year.**

We use **more than 31,000 paper towels per year** to keep our shelter safe and clean.
